Our Clients

ABDM Enabled Solutions

“Become ABDM-ready. Get 100% control of your health records”

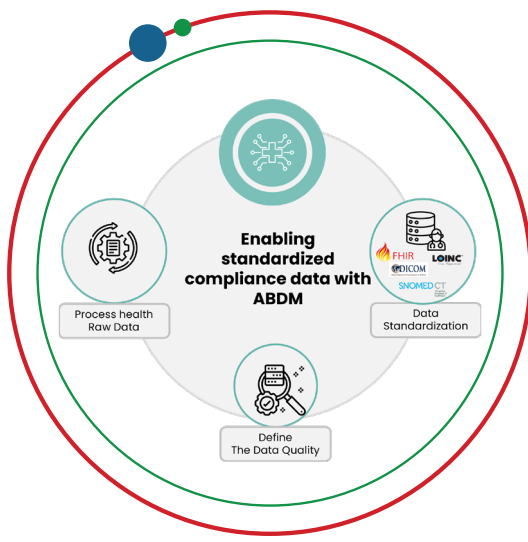

FHIR standard enablement

Empower healthcare access with our FHIR-formatted patient records. Seamlessly integrate into the ABDM ecosystem while we handle data conversion complexities.

- > **Data Standardization**
(FHIR HL7, R4, SNOMED CT, LOINC, DICOM)
- > **Clinical artifacts generated will be linked with the patient's ABHA ID.**
- > **Access & manage important health information on the go.**
- > **Authentication & interoperability**

Our Services

Transforming Healthcare Delivery through ABDM-Enabled Solutions

Achala Health, certified by India's National Health Authority for ABDM compliance, integrates seamlessly with the national digital healthcare eco-system, providing effortless access to records. Pioneering India's first ABDM-compliance ready patient first platform, we revolutionize healthcare through expertise in HRP, HFR, and HPR.

Digital Registrations

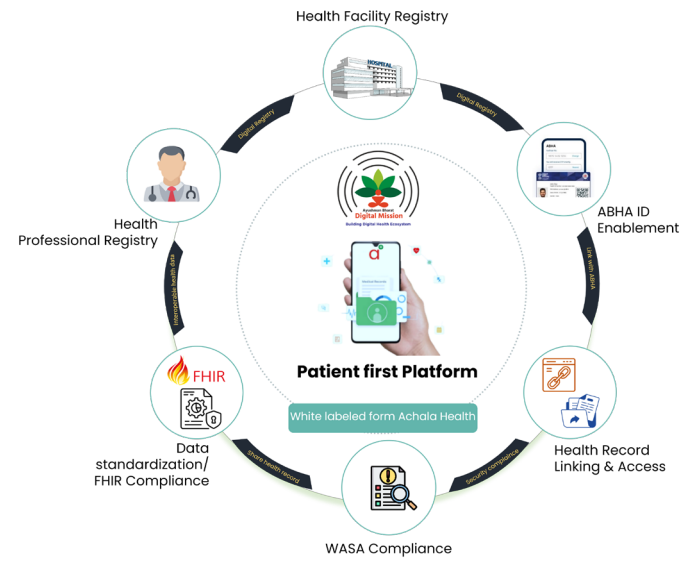

Fastest way to integrate with ABDM - India's Health eco-system:

- > **Patient registration**
- > **ABHA ID Creation**
- > **Create Health facilities & Professionals registration.**
- > **Enablement of HFR, HPR, and HRP**

ABDM Compliance Patient-first platform

We have developed the first patient-focused platform for health facilities in India, ensuring seamless integration with the ABDM ecosystem.

- > **Generate & maintain longitudinal patient records.**
- > **Centralize Patient Record Repository**

Benefits:

- ✓ Better access to patient's medical history
- ✓ Easy & safe exchange of health information
- ✓ Earn incentives for digitization
- ✓ Enhanced data security & Compliance ready
